SUI (Sensors Unlimited, Inc.), part of Goodrich Corporation, is registered with the U.S. Department of State, Bureau of Political Military Affairs, Directorate of Defense Trade Controls as a manufacturer, exporter and temporary importer of defense articles, technical data (including software) and defense services pursuant to the Arms Export Control Act (AECA) as promulgated by the International Traffic in Arms Regulations (ITAR) under 22 CFR 120 – 130. Additionally, SUI maintains compliance with all U.S. export control laws and regulations including, *e.g.*, the United States Department of Commerce, Bureau of Industry and Security's (BIS) Export Administration Act as promulgated by the Export Administration Regulations (EAR), the U.S. Customs Regulations, the U.S. Department of Treasury's Foreign Assets Controls Regulations, the U.S. Department of Commerce's Foreign Trade Statistics Regulations and the U.S. Department of Justice's Bureau of Alcohol, Tobacco, Firearms and Explosives Regulations.

SUI's 2-dimensional InGaAs Area Cameras and Focal Plane Arrays are subject to the export licensing requirements of the ITAR and are controlled as Significant Military Equipment (SME). An export license must be obtained from the U.S. Department of State before these products can be exported or sold to any foreign person in the US or abroad.

Other SUI products may be subject to the ITAR, EAR or other U.S. export control laws or regulations and may require an export license, agreement, approval or other U.S. government issued authorization prior to export.
